Bucks County Association of Township Officials

Audit of 2021 Financial Records

We have examined the financial statements and supporting documentation for the year ended December 31, 2021 for the 501(c)4 organization Bucks County Association of Township Officials (BCATO).

Records were in order and the financial statements fairly represent the position of BCATO for the year ended December 31, 2021.

The audit committee recommends a periodic review of the recurring automatic charges to the bank account for the following items. These are automated recurring charges regardless of usage, and should be monitored to assure that the services are still needed.

Vendor	Amount
Google G Suite	\$31.80/month
Zoom	\$15.89/month
Constant Contact	\$47.70/month
MacAfee Anti-Virus	\$105.99/year

Respectfully Submitted,
